Dear Parents and Carers,

Our main event in school this week was the Year 4 residential trip to Sayers Croft. The children have had a brilliant time orienteering, pond dipping, shelter building and solving Team Challenges together. The highlights, as always, were the Night Walk around the woods in the dark and enjoying a hot chocolate a film with friends before bedtime. Despite the soggy weather the children have had a wonderful time. These trips are so important for children's personal development and help them grow their personal independence and resilience. I am enormously grateful to the office ladies (especially Mrs Blanchfield) for organising all the paperwork and to the 6 members of our teaching team who gave up their families, cosy beds and sleep to take the children away for 3 days. Thank you all, you are absolute superstars 😊.

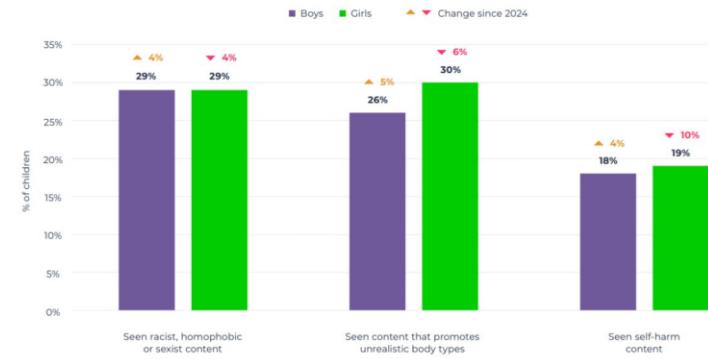

Other exciting events this week:

- On Tuesday 4 Bulgarian teachers spent time in our schools and we shared learning about how we support children with additional needs and teach online safety – it was interesting to learn that we both face the same financial challenges and experience the same difficulties with navigating children through their online world safely.
- On Wednesday the TASHH team ran a parent workshop to offer support to parents whose children face anxiety. Thank you to Mrs Shortland and Mrs Hollis for managing to find a time that the team could visit to offer support.
- I took 8 Year 3 children to a New-age Kurling Festival at Woking Leisure Centre – we had such fun and, of course, we all want to have a go on real ice now and will be joining the Olympic Team next month! Watch this space as Active Surrey are going to lend us their 'Kurling Kit' so all the children can enjoy a taste of this game, just in time for the Winter Olympics.

Online Safety

We saw some stark national statistics this week about young children's online profiles as we prepared for our Safer Internet Day in school

Figure 2: Narrowing of gaps in harms experienced by boys and girls

To support all parents as you navigate this world with your children we are inviting all parents to attend an online briefing with our IT partners, Eduthing at **7 – 8pm on Tuesday 10th February**. Full details of how to register are attached and I urge you all to listen in to help protect and support your children.

Book Week

Mrs Jenkyn met with the Junior School Council to gather their views and things they want to do during our Book Week this year (2nd – 6th March). Once our plans are complete we will share the details with you. However, we will be having a dress up day and wanted to let you know that the children would rather wear their pyjamas to school for a day than dress up as a book character, so no need to organise a costume! Our pyjama day will be on **Thursday 5th March**. Meantime if you do have any used book character dress up clothes we would be grateful for donations – the children have also requested that we have book character costumes to use during OPAL play, so please send them in!

Junior School PE Timetable change from next week (week beginning 26th January)

Enjoy your weekend!
