We perceive that our spending in all areas has had a positive impact on the engagement of our pupils in PE, sport and well-being, and would cite the following as areas where the spend has been the most impactful:

- The embedding of our Real PE Curriculum
- The introduction of our Forest School programme
- The range of opportunities our children have to experience and compete in inter-school competitions and festivals
- The continued benefits to well being that our pastoral support offers our most vulnerable pupils.
